

EZ-TrackTM

Dura SlopeTM Trench Drain System

The Economical & Lightweight Concrete Alternative

New Dura SlopeTM Trench
Drain System with Radius
Couplings Makes Bends
and Curves EASY!

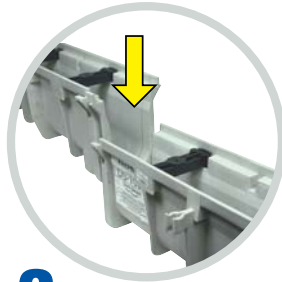

- **Patent Pending**
- **80'-120' Radius**
- **Heavy-Duty
HDPE Trench Drain**
- **No Special
Tools Required**
Components snap
into place
- **Four Depths
Available**

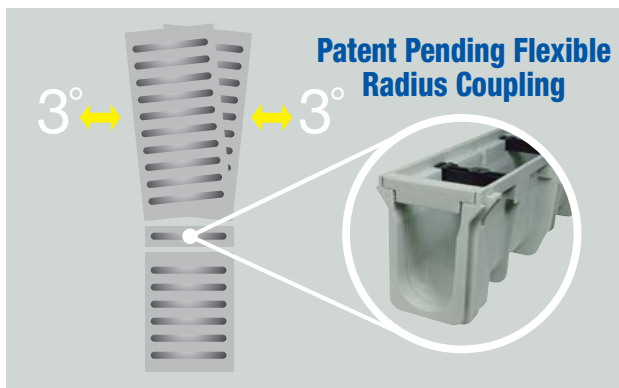

Installation's a Snap!

1 Slide coupling into first Dura Slope™ section

2 Slide second Dura Slope™ section into place

Compare to Concrete		
	EZ-Track	Concrete
Lightweight	X	
Quick and Easy to Install	X	
Prepaid Freight to Job Site	X	
Lower Overall Project Cost	X	
Multiple Grate Options	X	X
Less Breakage	X	

Grate Options for EZ-Track™

Standard Grate

(supplied with each coupling)

- Class B load rating for light vehicular traffic

Slotted Grate

- **Plastic** – Class B load rating for light vehicular traffic
- **Ductile Iron** – Class D load rating for heavy vehicular traffic

Sports Track Applications*

Shaded Area = Bill of Materials for Typical Track Installation

QTY.	DESCRIPTION	PART NUMBER	COLOR	PKG. QTY.	WT. LBS.	LIST PRICE (EA.)
320	4' x 6.35" Dura Slope Channel Drain	DS-097N	Gray	1	10.04	123.16
	4' x 7.36" Dura Slope Channel Drain	DS-100N	Gray	1	11.16	123.16
